

Mr. R. Madhu, M.Sc. (Ph.D.)

Assistant Professor of Inorganic Chemistry

Mobile: +91 9948591042

Email: madhu.ravula07@gmail.com

Mr. Madhu has 11 years of teaching and 02 years of research experiences. He has been working as Assistant Professor in Department of Chemistry since 2015 at Satavahana University, Karimnagar. He completed M.Sc. (Inorganic Chemistry) from University College, Kakatiya University, and Warangal in 2007. He qualified State Eligible Test (SET) TS & AP SET in 2014. He completed B.Ed. from Satavahana University in 2011. He is also pursuing Ph.D. in Chemistry and his research interest on 'Synthesis and Characterization of Solid Catalysts for Selective Oxidation and Condensation Reactions'. He has attended 05 National and International conferences and seminars.
