ALUMNI

We envisage the Alumni Association as partner in the progress of the University. This Association unfolds before us a series of opportunities to serve this great University and lend our cooperation in full measure in its success and sustenance.

We think of Alumni Association in helping all of us stay connected to our alma mater.

We visualize it in facilitating the fine tradition of give back

Our focus is on Broad basing the membership Increasing the paid membership Strengthening the resources and organizational framework Increasing the Awareness and impact of the Alumni Association through well planned activities / approaches.

Involving More Alumni and Students (Prospective alumni) in the activities of the Association.

Creating a virtual Alumni Association through web based initiatives.
